

GATEWAY  
SOURCING LTD

# BUSINESS PROFILE

Transforming your global  
apparel sourcing experience

# Corporate Overview

For us, it's about more than just the apparel we source; it's about all the ways we help your brand achieve excellence while protecting our planet.

GatewaySourcing is a one-stop apparel-sourcing platform based in Bangladesh. Whether you're a global lifestyle brand or retailer, we have got you covered.

We are committed to delivering more than uncompromising quality at a competitive price. Our services include comprehensive design assistance & product development, strategic merchandising solutions, expert vendor sourcing & management, quality assurance & control, compliance, and efficient supply chain solutions.

## Mission

To provide unparalleled apparel sourcing solutions that connect our clients with the highest quality products through innovation, efficiency, and sustainable practices, ensuring our clients win in the global market.

## Vision

To be the leading global partner in apparel sourcing, recognized for our integrity, reliability and excellence.

## Values

Our vision & mission are being made into reality through the belief and implementation of following 6 (six) core values. Because these values are embedded in our DNA, they drive us to settle for nothing less than the best.

Commitment

Integrity

Excellence

Innovation

Collaboration

Customer Centricity

# What Sets Us Apart

At GatewaySourcing Ltd, we go beyond sourcing to build lasting partnerships with our clients. Our unique blend of industry expertise, commitment to quality and innovative solutions distinguishes us from the competition.

## EXPERTISE & EXPERIENCE

Our team of seasoned professionals ensures meticulous management from initial sampling to final shipment, leveraging their expertise and experience.

## EXTENSIVE SUPPLIER NETWORK

Our rigorous supplier selection process ensures that all our partners adhere to strict quality standards.

## COMPETITIVE PRICING

Our aim is to help you maximize your profit margins while delivering value to your customers.

## QUALITY ASSURANCE

Our dedicated quality control team follows stringent protocols to maintain consistent quality and minimize the risk of defects or inconsistencies.

## ON-TIME DELIVERIES

Our aim is to help you optimize inventory management and minimize lead times.

# Our Valued Clients

Since our inception in June 2024, Gateway has had the privilege of working with selective clients. We value each partnership and strive to deliver exceptional service and high-quality products to meet our clients' specific needs.

We are always excited to welcome new clients into the Win-Best family. Join us, and together we can achieve new heights of success, creating products that inspire and lead the market. Let's build the future of fashion, one partnership at a time.

# Our Partner Compliances & Certifications

At Gateway, we take pride in partnering with factories that uphold the highest standards of compliance and certifications. Below are the key compliances and certifications our partner factories adhere to, showcasing our dedication to excellence and responsibility.

## # Sustainability Certifications

# Our Sustainability Commitments

At Gateway, our sustainable practices aim to reduce our environmental footprint, satisfy consumer demand for eco-friendly apparel, and enhance sustainability in a rapidly evolving market. Our efforts ensure a greener, more sustainable future for all.

## ETHICAL SOURCING & TRACEABILITY

Upholding fair labor practices, ensuring responsible sourcing, and prioritizing transparency in sourcing practices.

## ECO-FRIENDLY MATERIALS

Utilizing organic cotton, recycled fabrics, and other sustainable materials.

## WATER & ENERGY CONSERVATION

Implementing water-saving and energy-efficient practices.

## WASTE REDUCTION

Minimizing waste throughout the production cycle.

## CARBON FOOTPRINT MINIMIZATION

Actively working to reduce carbon emissions across all operations.

# Our Global Presence

Gateway Sourcing Ltd has a strong global presence with HQ in Bangladesh. This strategic positioning allows us to effectively serve clients across diverse markets, ensuring seamless communication and collaboration worldwide.
